Jury Trial

October 11, 2022, at 9:30 a.m.
Courtroom to be determined

The Defendant requested a continuance of this case through the trial date set forth above. The Court finds that the ends of justice served by granting the requested continuance outweigh the best interest of the public and Defendant in a speedy trial, pursuant to 18 U.S.C. §§ 3161(h)(7)(A), (B)(i), as failure to grant the continuance would deprive the Defendant of the opportunity to file motions and prepare for trial, and thus likely would result in a miscarriage of justice.

Based on the foregoing, the Court finds the period of time elapsing from March 10, 2021, until October 11, 2022, is properly, and shall be, excluded from the speedy trial calculation.

SO ORDERED.
